"Medicare"

Medicare is not a one size fit all program. There are over 1,000 Medicare plan combinations available in our area! How do you determine which option is right for you, particularly when each plan only marketing their benefits and not their drawbacks? Whether you are new to Medicare or have been on Medicare for many years, this seminar will help you understand how to find the coverage that is well suited for your medical needs, medications, and budget. Prepare yourself for Medicare Open Enrollment (beginning October 15th thru December 7th) by attending this valuable presentation to educate yourself and your family on how to choose your Medicare coverage to fit your situation. Topics to be covered include:

- 1.) The difference between Medicare Advantage and Medicare Supplement plans.
- 2.) The cost of Medicare Part A, B, C, and D.
- 3.) How to compare prescription drug plans from your medication list.
- 4.) How to determine if you qualify for prescription assistance programs.
- 5.) A discussion about potential future changes to Medicare.
